

UNCRC Article 31
Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Clubs Overview

Most clubs will run for 10 weeks in the first, second and third terms.

An example club list can be found on the next two pages.

Booking and Payment

Clubs provided by external providers should be booked directly through them using the links attached.

All other clubs need to be booked using the School Money app. Clubs need to be paid for at the time of booking and places will be booked on a first come, first served basis.

Once the number of places in a club has been filled, no further booking will be taken. A Google Form will be operated to make a list of people who did not get a place, so we can monitor the popularity of clubs and if, through exceptional circumstances, a place becomes available during the term this will operate as a waiting list.

The following term, anyone who didn't get a place in that club will be offered priority booking.

Please make sure the clubs you book for your child are ones they want to go to, as once your club is booked and paid for there will be no refunds available.

The bookings will go live on School Money at a specified time a couple of weeks before clubs start.

Best wishes
