

1st May 2019

Dear Parent/Guardian,

I am writing to introduce myself as the new Principal of Loughview Integrated Primary School. I have spent the last three years working as Vice Principal at Glenraig Integrated Primary School and eight years prior to this as a Senior Teacher at Hazelwood Integrated Primary School. I am extremely privileged to have been appointed as Principal.

I have been fortunate to have been invited to spend some time, at the end of last term at Loughview, getting to know the staff and some of the pupils. I would like to pay tribute to Mr. McKnight who made the transition a smooth process for me. Also, I am grateful to the Senior Leadership Team, Key Stage Coordinators, teachers and support staff for the welcome I have received. I am extremely impressed by the young pupils of Loughview and how proud they are of their school. Indeed, their determination to work hard and achieve success has been evident during my visits.

The staff of Loughview are dedicated and committed to the children. They have high expectations of our pupils in terms of attitude, behaviour and achievement. I look forward to getting to know our pupils and watching them achieve their full potential.

As I begin my role I would value your continued support for Loughview, making sure your child attends school punctually every day, upholds our integrated ethos and engages fully in their learning. I look forward to meeting you all in due course and to working in partnership with you and your child.

Yours Sincerely

Sean Spillane
