

LOUGH VIEW INTEGRATED PRIMARY AND NURSERY SCHOOL

Parents' Council Newsletter

November 2020

The purpose of Parents' Council is to provide resources/experiences which enhance pupils educational experience and to foster more extensive relationships between the staff, parents, carers and others associated with the school. All members of staff, the governing body and parents or guardians of children attending the school automatically become members.

It was agreed at the first meeting of the year that fundraising for 2020/2021 would facilitate the purchase of new P.E. equipment for the school. It was also felt that events this year should focus on lots of fun for the children, acknowledging the challenges they have faced so far this year.
