

Admissions 2021-22 – Expression of Interest

9th November 2020

Dear Parent/Guardian

We are in the process of making preparations for Nursery and Year 1 admissions for the academic year beginning in September 2021. One of the major events as part of this process is normally our school Open Day. Clearly, that is not going to be able to take place as we would wish under the current restrictions.

However, we do recognise that choosing a school for your child is a major decision as a parent and we wish to facilitate some school visits, within the boundaries of the NI Executive restrictions as they stand at the time. The priority groups for these visits will be new families who do not have a child attending Lough View and current Nursery parents whose eldest child will be transferring to Year 1 in September 2021.

If you have a child who is due to begin Nursery or Year 1 in September 2021, I would appreciate it if you could use the link below to complete an expression of interest form which should take no more than 1 minute. This will ensure that we can plan to show families around our school who really need to see it, but most importantly that we can do it safely.

Please complete the form by Friday 13th November. Interested families will then be contacted by school staff to make the necessary arrangements before the end of November.

Your application for a Nursery or Year 1 place will not be impacted in any way, regardless of whether or not you complete this form.
