

Proposed changes to school crest

6th February 2020

Dear Parent/Guardian,

As you may be aware, Lough View has been operating with two school crests for quite some time. The most obvious place you will see them both is on our school uniform and school communications, like this letter.

The Governors have been discussing how we can standardise our school crest to ensure we have one identity moving forward. As part of the process, I am consulting with all parties who may be affected by the change.

Parental involvement is a key principle of any Integrated school, so I have created a very short survey to allow you to have your say. You can access the survey by copying the link and pasting it into your browser. In addition, I hope to be in a position to show some samples of updated uniform and leisurewear on Thursday 27th February. Some images are available on our school Facebook page in the meantime.

Thank you in advance for your support with this consultation.
